REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The Board of Appeal's decision to agree with Appellants' contentions place this case in condition for allowance. The Board of Appeal finds that as per Appellant argument that neither Manabe nor Whitten discloses "any type of configuration data that includes a plurality of canned replies associated with the plurality of classed. The Board of Appeal disagrees with the Examiner's argument that the canned reply is "a predefined or preset message arranged by the potential recipient of a message" and contends that the disclosed status indicator does not teach the canned reply as claimed in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DJENANE M. BAYARD whose telephone number is (571)272-3878. The examiner can normally be reached on Monday- Friday 5:30 AM- 3:00 PM..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, William Jr Vaughn can be reached on (571) 272-3922. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
